Plaintiff Wright Motion To Objection To
THE Magistrate Judge Recommendation
Denying Plaintiff Motion For Filing
Criminal Charges

I, Richard Wayne Wright, Sr., Am the Plaintiff, Pro-Se., in the above (said) Motion. I respectfully come before the Honorable Charles S. Coody (Chief United States Magistrate Judge) in objection to the order pass down on the 5th day of ^{R.W.W.} January, 2006, concerning this Honorable Court denial of Plaintiff motion (Court Doc. No. 94) within the recommendation.

Plaintiff Wright has made efforts to file Criminal charges for assault against Sgt. S. Carter (Co. II) (initiated the assault on November 23, 2005); Roosevelt Brown (Co. I) aided Sgt. S. Carter in beating plaintiff kicking and hitting

him with his stick'); Levy Richardson
laid in placing restraint, but fail to
stop or attempt to stop his co-workers,
neither did he properly inform his super-
visor(s) of these officer conduct. Plaintiff
has submitted assault charges in the
form of a motion he filed and mailed
to the Barber County Circuit Court, plain-
tiff attach this motion to the motion (he)
mailed to this Honorable Court (Court Doc.
No. 94). In the attach motion this Honor-
able Court could see plaintiff sent
circulated copies, but have not received
any response from those motion with
the exception of this Honorable Court.
This has not been plaintiff only attempt,
(See) the letter I attach with this
motion and envelope it was mail (it was
mailed in) as exhibits (1) and (1A). These
letter was wrote and mailed to Mr.
Eric Demus (Investigator) for the Ala-
bama Department of Correction (A.D.O.C.)
(I & I) division. (See Exhibit (1) and (1A)).

Plaintiff believes (he) applied his
efforts rightly in the scope of the law,
yet they arail so very little. Plaintiff
is subjected to face another attack by
Sgt. S. Carter because he is allowed con-
tinually to come into this (seq.) cell,
located in the infirmary (as if) he never

assaulted plaintiff. The Department of Justice (D.O.J) Standards 23-4.9 Physical Security States: "Prisoner should be entitled to a healthful place in which to live and to protection from personnel injuries, disease, property damages, and personal abuse or harassment, including sexual assault or manipulation.). These acts of retaliation as a direct result and part of the instant Cause of Action against plaintiff. The defendants should not be allowed to retaliate in any form, more less than permitted to inflict more physical and mental pain upon plaintiff.

Plaintiff has attempted to and Filed Criminal charges, so that, arrest warrant or summons can be issued according to his complaint and Fed. R. Crim. Proc., Rule(4), but all plaintiff attempts have become empty efforts, thus far. I dont know the statutes/ Codes to apply to this complaint to have Criminal charges Filed in addition (or if there is any) So if, there are statutes/ Codes which can be applied and it is within the limits of this Honorable Court discretion, plaintiff ask

that this Honorable Court apply (such) Codes/ Statues in the absents of plaintiff's ability to state it in this (said) motion.

The United States Supreme Court has stated: (stating that "the reason why ... retaliation offends the Constitution is that it threatens to inhibit exercise of the protection right") (see Crawford-EL v. Britton, 523 U.S. 574, 588 n.10 (1998)). Being that defendant conduct is impermissible (or should be) when done for retaliatory reasons plaintiff seeks (such) relief.

Relief Sought

A protection order/ restraining order being placed at the least (temporarily) against defendants / defendant's agents Sgt. S. Carter (Co. II); Roosevelt Brown (Co.I); Levy Richardson (Co.I); the forth (4th) officer not yet identified "when" drag plaintiff into the small room. A physical examination be personal (not) associated with (A.D.O.C.) to properly assess plaintiff's injuries added on November 23, 2005. Monetary Damages in the amount of one hundred thousand dollars (\$100,000). Upon discovery of the true injuries plaintiff

plaintiff suffered ^{R.W.W} and encountered during defendants assault to (his) Face, neck back, Fore arm and legs not to exclude problems in his joints, that injunction / order upon defendants to ensure plaintiff get proper therapy IF needed. All Cost plaintiff has been charge, Cost of Court Filing Fee's, Cost of Copies, Co-payments (medical) ect. Injunction For plaintiff safety and health (restraining orders / protection orders, ect.) upon defendants. Any other relief plaintiff has requested in previous Complain / motions and any other relief this Honorable Court deems plaintiff is entitled to, IF this motion is not in its proper Form plaintiff ask that this Honorable Court Construe ^{R.W.W} it into its proper Form For Filing.

January, 2006.

Respectfully Submitted
